US Embassy "Concerned" About SDA Declaration

September 19, 2019

The U.S. Embassy in BiH wrote on Wednesday tweeted, "We are concerned over some unhelpful and divisive political positions presented in the recent SDA declaration. This type of rhetoric does not attempt to solve the everyday problems of the citizens of BiH, but further inflames existing political tensions."

The Embassy also wrote on its Twitter account, "Any change to the internal organization of BiH must be adopted in accordance with the procedures set forth in the constitution, which require a wide support within BiH's political spectrum, including all constituent peoples."

The Embassy further tweeted, "The position of the United States is well known and remains unchanged – We fully support Bosnia and Herzegovina, its territorial integrity, and its fundamental structure as a single, sovereign state with two entities and three constituent peoples."
